Van Bourgondien *Real Garden Lilies*

LILIUM SPECIOSUM RUBRUM

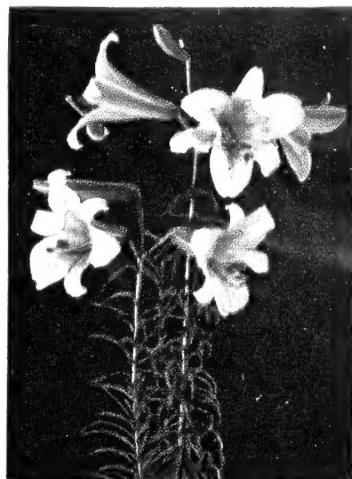

As the illustration shows, this is one of the most desirable pink Lilies; blooms in August and September and makes a very pleasing spot in your garden. Very large bulbs. **70c each; \$7.50 per doz.; \$56.00 per 100.**

LILIUM REGALE

It grows 3 to 5 feet high, blooms out-of-doors in July, is perfectly hardy, and flourishes under very varied conditions.

First Size Bulbs. (8 inches in circumference.) **40c each; \$4.00 per doz.; \$30.00 per 100.**

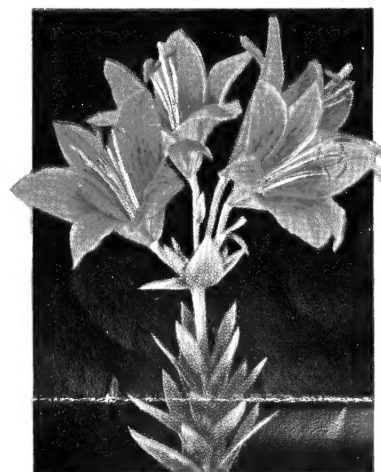

Second Size Bulbs. (6 inches in circumference.) **25c each; \$2.50 per doz.; \$17.50 per 100.**

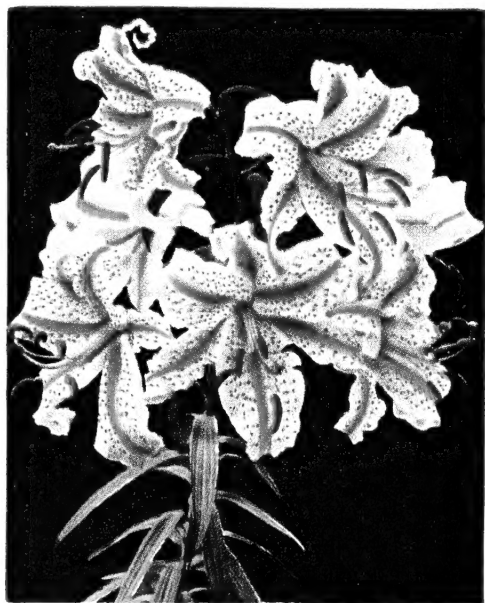

Lilium Regale

ORANGE TRIUMPH (The New Lily)

One of the newer Lilies, a hybrid Umbellatum X Croceum. Beautiful orange-yellow chalices on 5-foot stems. June blooming, it makes a splendid subject for mass effects in the border. **50c each; \$5.00 per doz.**

Orange Triumph

LILIUM AURATUM

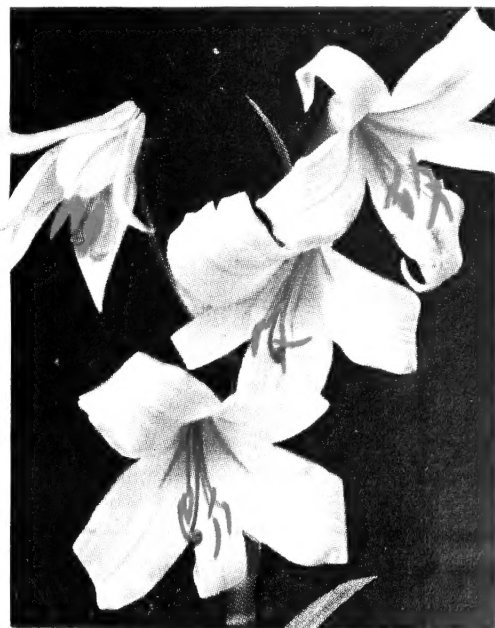

(Gold-Banded Lily.) One of the largest and finest of all Lilies, bearing up to 15 flowers to the stalk, often 8 to 10 inches in diameter. **Each 80c; 3 for \$2.25; 12 for \$8.75; 100 for \$66.00.**

JAPONICUM

(Krameri)

One of the few pink Lilies. It has not the robust constitution of some of its neighbors, but if care is taken in its cultivation, the grower will be well repaid. The bulbs should be planted about 8 inches deep in peaty loam and thrive among low growing Azaleas and Kalmias. Usually two, and as many as five beautiful pale pink funnel-shaped flowers appear on slender stems. Much success is derived from potting up the bulbs and plunging them later.

A beautiful Lily and well worth trying. Stem rooting. Height 3 to 4 feet. June-July. Supply very limited. **\$1.00 each; 3 for \$2.90; \$11.00 per doz.**

No group of climbing plants is more distinctive for its wide color range, its variety of forms and its decorative possibilities. To be sure, the Clematis is a regal plant but it need not have a spacious setting. In fact, its greatest charm is the pleasing suggestion of informality which it lends to pergolas, trellises, arbors, fences and old tree stumps.
